WAUKESHA — Scrima's Pizza has signed an exclusive agreement with Woodman's Market to expand its product line, but as a result is moving the business out of Dave's Mobile on Silvernail Road in early September.

The pizza company, native to Waukesha, has sold its fresh-made pizza hot and ready or "Take 'n Bake" from Dave's Mobile for the last two years. But even after the move, owner Joe Scrima said the business will still deliver its pizzas to the west side of the city.

"I hope the move doesn't affect our loyal customers from that location," Scrima said.

Scrima's Pizza has been operating from Woodman's Market on East Main Street since the newer marketplace opened in June 2013.

As a part of the agreement, Scrima's will broaden its product line, which will include its Italian catering dishes and now features rotisserie chicken. "I'm excited to expand," Scrima said. "I think it's the right move for us."

The pizza maker believes that he will stay exclusive to Waukesha, instead of adding locations to other nearby Woodman's such as the Menomonee Falls location.

"If there was a way to mass produce my pizzas I would consider (it)," Scrima said, "but not if I wouldn't be able to make them fresh."
